WELCOME NEW MEMBER

Javier Estupinan joined HCAA while at our pizza/game night event. It is a pleasure to introduce Javier and give you some information about him in his own words:

"I am Javier Estupinan, 58 years old, and the father of three children. I am also the proud grandfather of twin grandsons. I have worked for the state for 21 years.

I am an experienced pilot with more than 400 flight hours. I have been a member of the Cloud Niners Club for ten years and have flown a variety of aircraft including Cessna 150, Cessna 172, Cessna 180 and several Piper models. My passion for aviation is reflected in my ongoing dedication to flying and in the experience I have gained throughout the years."

PIZZA, GAMES & FELLOWSHIP

Although we had a smaller crowd than usual, it's the quality, not the quantity, that counts! Several pizzas were consumed and enjoyed along with salads and desserts. Photos follow.
