2R2 Now Open

The runway was officially opened at 12:21 p.m. on August 21. This photo by Chris Atwood was taken prior to the opening (note the X.)

Remembering Suzanne Snyder

Suzanne was an active member of HCAA until she developed health issues. She always helped serve breakfast when we were at 3SY and lunch at LATA when we moved to 2R2.

She really enjoyed going with Jim to the annual fly in at Oshkosh and spending time with Rosie, Ruby and Judy who also attended.

Suzanne was the mother of a son and daughter, grandmother of two and great grandmother of two, all giving her great joy. She will certainly be missed.

CHICKEN DINNER IN AUGUST

With fried chicken, vegetables, salad and dessert, what more could you want? Perfect weather? We had it! And we enjoyed a delicious meal and good fellowship with other HCAA members on August 15. Photos taken at the event follow.
