Board Meeting

October 13 – 6:30 p.m.

There will be an update on Scareport Trunk or Treat which is scheduled for October 17 from 2:00 to 4:00 p.m., weather permitting. (Donations of cash or treats are still being accepted and appreciated.)

CHILI COOKOFF

October 17 – 5:30 p.m.

This is one of our favorite get-togethers. Bring a pot of chili made from your favorite recipe for all to enjoy. Or if you aren't bringing chili, just bring something else – perhaps a salad or dessert. Last year we had five different recipes of chili so put on your chef's hat and get to "cookin".

New Business

Reed Blair is interested in building a hangar at the Hendricks County Airport. He has been in contact with the Indianapolis Airport Authority.

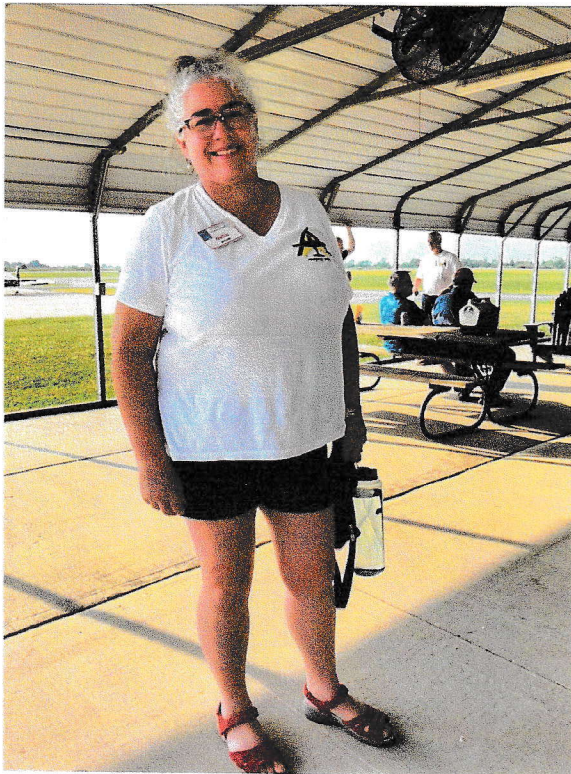

The IAA has nothing imminent with regard to new hangars at the airport. They do have someone recently hired that will focus on reliever airports.

If anyone else is interested in building a hangar at Hendricks contact Reed at (317) 727-4128.

Pizza !!

Yes! Several boxes of mouth-watering pizza graced the table at the airport pavilion on September 19 and we didn't hesitate to fill our plates with it as well as with salads, chips and dessert. It was a come early, stay late outing enjoyed by all. Photos follow. (Below: John, Paul and Paul wait on the pizza delivery.)
