BOARD MEETING NOTES (Submitted by Don Hughes).

The October board meeting was held on the 11th. Due to work requirements, spring break and other causes, only Don Hughes, Jim Snyder and Reed Blair were present. There was a discussion about not having an actual competition for the chili cook off so as not to have anyone offended if they didn't win. Everyone thought that was a good idea.

Regarding our Christmas Dinner on December 2, all believed that Martha's Orchard had been reserved for that evening and look forward to another Christmas extravaganza.

We are looking forward to additional board members being announced at the Christmas Dinner as well as replacements for some of our officers.

Since we couldn't remember if there was anything else to be discussed... we all went home.

CHILI FEST WELL ATTENDED

It was a chilly evening for chili but there was a good turnout. We had a cold west wind so wind blocks were hung up on the west side of the pavilion. This made it fairly comfortable although a few people went in the office to eat. There was a total of eight varieties of chili and they were all winners. Vern and Lou brought birthday cake for Wilma and everyone helped themselves to it. It was delicious! We had a great time. Photos follow.

ABOVE – Thanks to John for bringing cider and heating it up for us. It really “hit the spot.”

ABOVE RIGHT – Gentleman Don gave his coat to JoAnn as she was shivering. Hope he didn’t catch a cold.

Scott and Robert quench their thirst while waiting for "Let's Eat."

The Graves clan holds a family discussion on whether to eat crackers or cornbread with their chili.

We were glad to see Red and Barbara again after being away for so long.

We had 8 pots of chili – all excellent!

Vern and Lou delivered a birthday cake for Wilma's 91st.

Yeshua and Don followed

The Mullinax and Sullenger families shared this table. Is that Sluggo peeking out from the back?
