MAY ACTIVITIES CANCELLED

Due to the uncertainty of the current situation regarding Covid 19, there will be no board meeting or cookout this month. It is hoped that June will present a better outlook and we can continue our usual activities. In the meantime, stay safe and wash your hands. (Tired of hearing that?) Plans for June (if any) will be announced via email.

ANNUAL DUES UPDATE

Sorry to have to mention this but we still have a few individuals who have not sent in their dues. Those who have paid dues since the last newsletter are: Tony Coiro (new member), Robert Duncan, Al Johnston, Paul McCord, Blaine Merrell, Tom Parrish (new member) and John Walker. SO – If your name hasn't been on the "paid list", write that check and mail it (the post office is still delivering mail.) If you think you have already paid, please call 317-718-3415 to verify. (Make check (\$15) payable to HCAA and send to W. Winings, 2685 S. Co. Rd. 300 E, Danville, IN 46122)

AirVenture Oshkosh 7/20-26 CANCELLED

On May 1 the EAA announced that its annual convention that draws 20,000 aircraft and 600,000 visitors from around the world will not take place this summer. This would have been the 68th convention.

"We looked at every possibility over the past six weeks as to how EAA could move forward with AirVenture this year, because it is such an important reunion for the aviation community," said Jack J. Pelton, the EAA's CEO and board chairman. "The current status in Wisconsin is that it is still under a stay-at-home order until May 26, which completely eliminates our ability to start grounds preparation May 1."

All pre-sold AirVenture 2020 admissions and camping reservations can be rolled over to the 2021 event or are eligible for refund. Those who have made such purchases will be contacted individually regarding the options.

A smile is an inexpensive way to improve your looks.
