## BOARD MEETING NEWS

The Board met on July 10 with the following in attendance: Jim Snyder, John Rothrock, Rick Princell, Ted Bock, Vern Sullenger, Mike Hoover, Amy Hills and Wilma Winings.

In the absence of Don Hughes (on a cruise), Jim Snyder presided. The main topic of discussion was the upcoming **Lunch At The Airport**. Exhibitors for the event were reviewed and a couple of organizations who had not responded will be contacted again. There will be drawings for ten helicopter rides and two plane rides. We will need volunteers to step up to help with set up, workers for the food service as well as making and bringing desserts as has been done for past lunches. Amy Hills has been promoting our lunch via the internet with a good response. A final planning meeting will be on August 14 prior to our LATA on August 18.

John Rothrock reported on the preparations for the Jim Winings Memorial Day celebration.

The June 23 cookout was a huge success with a large crowd and lots of food. Thanks to Don Hughes and John Rothrock who "manned" the grill and Jim Snyder who served the sandwiches.

Vern Sullenger reported a balance in the treasury of \$4,288.19.

The Woodwards from Mooresville just recently joined our group and we welcome them.  
Meeting adjourned.

## Memories from the June 23 Cookout

Pattie and Norm Patrum with Peggie and Jimmy Lewis

Don Hughes and John Rothrock get ready to grill.

Vern stops the Hills family to check out the brownies.

Something has the attention of Scott Mattingly, Dale Bronson (guest) and Craig Hills

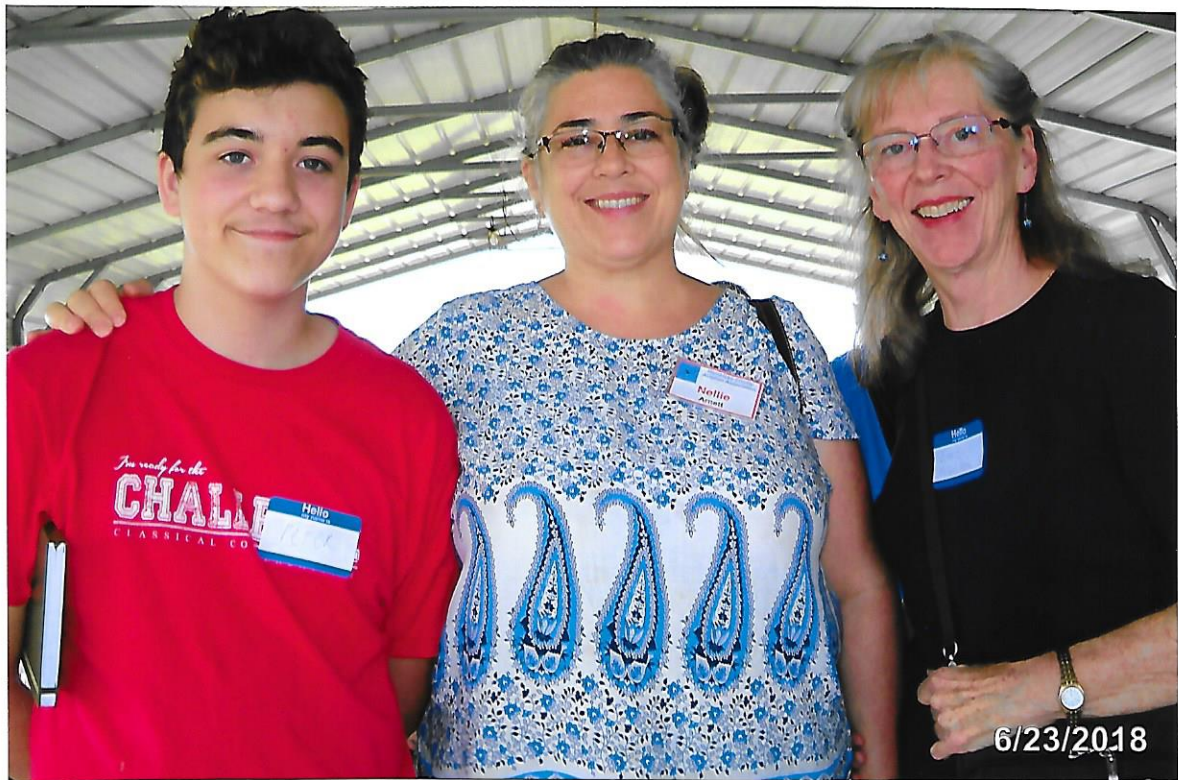

Two Jims (Graham and Snyder) and Roberta Graham

Glen Matejcek and Dirk Melchior rejoined our group after being "lost" for a while.

Nellie Arnett with her son and mother.

Greg Hill, Tom Stapleton, Tim Vangundy and Cathy Solwin are all smiles.

Jim Snyder serves the brats, hot dogs and burgers. He did a great job!

Lisa and John Rothrock finally get to fill their plates.

Happy folks. (Just finished dessert)

Darrell, Nellie and Ruby

John Rothrock proves there are more modes of transportation than trains, planes and cars.
