It's time for some more Brats, Burgers and Hot Dogs

Come and bring along something to add to the menu and we will all enjoy this cookout.

LATA A SUCCESS

Once again we had a very successful Lunch at the Airport with the largest crowd ever. Our members worked hard to make everything run smoothly. A BIG THANKS to all of you who helped make this a fun event.

Mike Hoover built excellent signboards.
Amy Hills prepared templates for the wording.
Allison, Mason and Katelynn Matthews painted the words. Teamwork at its best!

AFTER LATA WAS OVER ----

Robert and Allison picked up the signs which they had placed along the roadsides earlier in the day.

Paul was seen in the office on Monday cleaning up the area and making it presentable again.

THANKS TO THEM AND TO ALL OUR MEMBERS WHO PITCHED IN AND MADE LATA POSSIBLE.

Also, thanks to Randy (and Paul) who mowed and trimmed and made the airport look so inviting.
