January 2020 Issue

HAPPY NEW YEAR !!

Best wishes as we begin a new year with its opportunities and challenges.

We experienced a great 2019 with cookouts, Lunch at the Airport, chili cook off, pizza party and game night and the Christmas Dinner get together. The Lunch at the Airport was very successful with more people attending than in previous years. There were 42 at the Christmas Dinner where we enjoyed good food, a gift exchange that was hilarious and door prizes. (Photos on the following pages.)

Several new members were welcomed during the year as follows: Mark & Cassandra Bartolovich, John & Del Bloom, Red Calvert, Michael & Angie Dragonette, Todd & Erin Durham, Doug & Carol Foreman, Kurt Martin, Dennis & Linda Perkins, Allan & Deborah Reed, Louis & Judy Soto and Jason & Angie Stewart. We look forward to their participation.

We lost one long time member. Dan Orcutt passed away on January 21.

We are pleased to have another board member, Reed Blair, and a board secretary, Phyllis Harding, who are assuming their responsibilities this year.

No activities are planned for January or February. The Board will have its first meeting of the year on March 10. All members are welcome to attend the board meetings to express their thoughts and suggestions.

On March 14 we plan to celebrate National Pi Day with pies in the airport office. There will be other items on the menu but pie will be the main dessert. A schedule for the year will be published in the April newsletter. (Yes, it's National Pi Day on March 14. National Pie Day is January 23)

We look forward to construction of the new terminal building which will be more conducive to meetings with speakers. Also, it will be appreciated on cold, blustery evenings when we are getting together for cookouts, etc. (There will be lots of other benefits.)
