Board Meeting News

At the meeting on July 14, the following were in attendance: Don Hughes, Jim Snyder, John Rothrock, Vern Sullenger, Amy Hills, Mike and Susan Hoover, Darrell Arnett and Wilma Winings.

Don called the meeting to order and Vern led in prayer with the Pledge of Allegiance following.

The treasurer reported a balance on hand of \$4,653.52.

Under old business, the Lunch at the Airport was reviewed. Mike reported on his meeting with the county health department and the CDC guidelines for serving lunch and the necessary precautions required which was a lengthy list.

A mention was made of having a food truck available to serve lunch and eliminate the necessity of our involvement with food. The pros and cons of this idea were discussed.

After a lengthy session of comments, Mike made a motion and Jim seconded it to forgo the LATA this year and instead have one of our regular cookouts. Motion carried unanimously. A LATA will be on the agenda for 2021.

Vern has paid the insurance bill which includes LATA and he will contact the company to see if they might issue a credit for that portion.

There will be a cookout on July 18 with brats, burgers and hot dogs.

New carpeting was being installed in the office. The Airport Authority plans to conduct a walk thru of the airport on Friday. John said it may be a year or two before a new building is in place. As far as the repaving of the runway is concerned, no information is available at this time.

There being no further business to come before the board, the meeting adjourned.

A bear walks into a bar and says, "Give me a whiskey and.....cola." "Why the pause?" asks the bartender. The bear shrugged. "I'm not sure; I was born with them."

Old age comes at a bad time. You finally know a lot just in time to forget it.

There's a new type of alarm clock on the market. It makes no noise. It uses lights and gets brighter and brighter until you wake up. I already have one of those. It's called a window.

Ran around the block four times this morning. Got tired so I picked up the block and put it back in the toy box.

I asked the waitress, "What do you have with no fat and no sugar? She answered, "Napkins."
