August 2020 Issue

BOARD MEETING NOTES

The board met on August 11 with the following attending: Don Hughes, Jim Snyder, Vern Sullenger, Amy Hills, Reed Blair, Mike Hoover, Phyllis and Dallas Harding, Wilma Winings.

Dallas led the group in prayer and the Pledge of Allegiance followed.

Vern gave the Treasurer's report of a bank balance of \$4,814.52 with dues of \$60 to deposit along with some change. He said the last cookout was self-supporting with some leftover. And he said he had paid Ted for website expense.

Since August is National Sandwich Month, it was decided to have barbecue sandwiches at this month's cookout. Jim Snyder will be in charge of getting the barbecue from GFS along with buns. (Thanks, Jim, for taking care of this.) The cookout will be held on Saturday, the 15th, at 5:30 p.m. and Ted will be contacted to send out a notice as soon as possible

The insurance issue was mentioned again in regard to getting a refund. The LATA was cancelled because of the Covid-19 virus situation and Reed thought that should be a good enough reason for a refund.

Fly-outs were brought up with suggestions of Greencastle on Saturday for breakfast, Put-in-Bay in Ohio, Rough River in Kentucky and French Lick. The Greencastle breakfast fly-out will be mentioned along with the notice of the cookout. The restaurant at the Greencastle airport is open Tuesday through Saturday 8 a.m to 8 p.m. and on Sunday from 8 a.m. to 4 p.m.

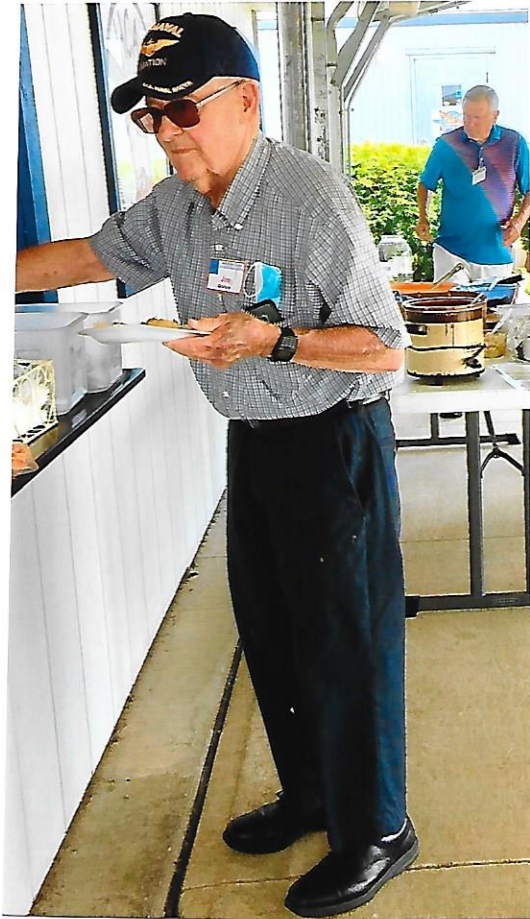

Our Christmas Party was brought up with the question if the facility will be open. Wilma will follow up with Joan at Martha's Orchard to check on that and report back at the next meeting.

The subject of Swift fuel was mentioned with the comment that some airports already have that fuel available. John Rothrock will be contacted to see if he has any current information as he has been following up on that in the past. *Editor's note: Jim Snyder has since reported that he spoke with John who said he has not heard of any more movement on this.*

When asked if there were any further comments, Dallas said he would be working on the plane he is building with his son tomorrow morning and invited anyone interested to join him.

There being no further business, the meeting was adjourned. Our thanks to Phyllis for the delicious warm brownies she brought and we enjoyed.
