Yes! We are on for Pizza and Games IN VERN SULLENGER'S HANGAR where we will have plenty of space. John says it will be 60 degrees that day but heat will be provided if needed. Pizzas will be ordered when the crowd gathers so be here by 5 p.m and bring along something to complement the pizza such as veggies and salads and don't forget desserts. *Vern's hangar is in building #204, hangar #1.*

Board Meeting Notes.

The board met on November 10 and was attended by the following: Amy Hills, Vern Sullenger, Don Hughes, Jim Snyder, John Rothrock, Darrell Arnett and Wilma Winings.

Darrell opened the meeting with prayer. The Pledge of Allegiance followed. (Contd. pg. 2)

Board Meeting Notes - Continued

Vern reported \$5,093.60 in the bank account with \$60 cash and some change on hand.

Under old business:

No information to report on the naming of the street leading to the airport as the meeting of the Gordon Graham Advisory Group scheduled for November 2 was cancelled by the IAA. John has attended Advisory Group meetings and will continue to do so.

Christmas Dinner – Shall we go ahead with this? Yes we will. With regard to wearing masks, it will be at each person’s discretion. The cost will be the same as previous dinners - \$15.00 per person. *As outlined in last month’s newsletter, the dinner will be held in the “wedding barn” and the temperature in this open area cannot be guaranteed (it might be a little cool.) Everyone should dress according to the forecast on that day.*

Robert Graves is still taking care of the “store” while Paul McCord recovers from shingles.

Under new business:

Vern suggested that in lieu of seeking new officers and directors that the current roster continue to serve in these capacities unless or until they are replaced. This suggestion was approved and there will be no changes at this time.

Wilma mentioned that our first board meeting in 2021 will be on March 9 and wondered if we would be celebrating Pi Day that month. Yes, we will, and it will be on Saturday, March 13, in lieu of the actual date which is Sunday, March 14.

There being no further business, the meeting adjourned at 7:15 p.m
