October 2020 Issue

ANNUAL CHILI COOK-OFF October 24 – 5:30 p.m.

It's time to plan on making that big pot of chili and bringing it to our get-together on Saturday, October 24. Tasting will be the order of the evening and the chili voted the best will receive a \$30 cash prize with \$20 and \$10 cash prizes for second and third place. This has proven to be a very competitive event and you don't want to miss it. If you aren't bringing chili, bring something else (salads, desserts, etc.) and be ready to vote for the chili you prefer.

NO STORE BOUGHT OR FAST FOOD TYPES ALLOWED

BOARD MEETING NOTES

Attending the board meeting on October 13 were Don Hughes, Jim Snyder, Vern Sullenger, Ted Bock, Amy Hills, John Rothrock, Reed Blair and Wilma Winings

Don called the meeting to order and led in prayer. The Pledge of Allegiance followed.

Vern reported \$5,093.60 in the bank with \$54 and some change on hand to deposit. Contributions at last month's cookout totaled \$79. Expense was \$25 for the meat.

Wilma referred to the March newsletter and the report on the Hendricks Co. Airport Advisory Committee meeting in February. The renaming of the entry road at the airport issue was to be put on the Airport Authority Board agenda in March. Nothing has been heard on that subject since. John will check to see what he can find out about it.

Fly-outs were mentioned but none were known about. You can get fly-out information by going to www.socialflight.com and sign up to receive info on the internet. Vern said you can get an app for it.

The Christmas dinner was mentioned again. We are scheduled for dinner at Martha's Orchard on December 4 at 6 p.m. for the social hour and 7 p.m. for dinner. Details were in the September issue. Events are being held in the "wedding barn" due to the amount of space available and the "social distancing" currently needed. In the event of a very cold evening, the temperature in the facility cannot be guaranteed (it might be a little on the cool side.) Everyone should dress according to the forecast on that day. John suggested perhaps we could enjoy Christmas music instead of having an entertainer. Singing of carols by everyone was also a suggestion.

Board Meeting Notes - Continued

Swift fuel was again brought up but there has been no further action on this subject.

Vern said his partner had not yet bought the Champ which needs rebuilding. The plane is out of registration and that should be taken care of. Nobody has been found, as yet, who is interested in the rebuilding job.

With regard to finding a Hendricks County representative for interaction with the Airport Authority Board, no results are known. Vern will check with Jim Graham to see if there is a good prospect for this position. Vern indicated an interest in filling this vacancy as long as there is no objection and he meets the qualifications. Others agreed he would do a good job in that capacity.

John reported that Paul McCord who has been in charge of the "store" in the office has come down with a case of the shingles and doesn't feel like taking care of it now. Robert Graves has indicated he will fill in while Paul is unable to do so.

John also mentioned that Rosie Bozell passed away last Saturday. She and Jerry have been members of HCAA for many years.

This month's event is our annual Chili Cook-off. Prizes for first, second and third place winners will be \$30, \$20 and \$10 respectively. All chili must be homemade – no store-bought or fast food types. The winner of our first chili cook-off was a man so guys, put on your aprons and enter the contest along with the ladies.

NEXT MONTH: On November 21 at 5:00 p.m. we will have our Game Night and Pizza Party so plan ahead to attend. We always have a lot of fun.

There being no further business, the meeting was adjourned.

SEPTEMBER COOK-OUT

The aroma of brats, hamburgers and hot dogs cooking on the grill brought out a good crowd in perfect weather.

In Memoriam

Rosalyn (Rosie) Bozell
1/27/1935 – 10/8/2020

Rosie (and Jerry) have been members of our organization since the early 1990s and attended many of our events. Rosie was a vivacious lady, always laughing and spreading joy wherever she went. Oshkosh was a special week for Rosie and other HCAA ladies who spent the week shopping and having a good time while husbands looked at and talked airplanes.

She worked as an accountant/bookkeeper for Eckhart and Company in Indianapolis and after retiring from there worked at the Piatek Institute.

Rosie liked to go to the casino and she and Ruby Cecil would travel to Shelbyville and spend the day quite often.

Rosie and Jerry were married on December 29, 1951. They lived on the west side of Indianapolis until building a home west of Plainfield several years ago.

She is survived by Jerry, two daughters, one sister, 6 grandchildren and 3 great grandchildren. She will certainly be missed.
