Latest Board Meeting Notes – by Allison Matthews

Attendance at the July 9 meeting included Amy Hills, Allison Matthews, Darrell Arnett, Vern Sullenger, Jeff Lahr, Reed Blair, Amanda Boeke and Wilma Winings.

The meeting was opened with prayer followed by the Pledge of Allegiance.

Vern reported a balance on hand of \$2,562.91 after reimbursing Joelene for fuel for the air race in the amount of \$1,834.

OLD BUSINESS

An HCAA survey form will be posted in the building.

Vern has located an electrician to help install a new light fixture in the HCAA barn.

Reed wants to talk with the IAA and get notification ahead of operations being scheduled for 2R2. His example was fuel or notice of runway repair. Amy shared that she has a good working relationship with Randy and he does not even have notice. Amy is still attending meetings of IAA and said they do not have discussions of those things. John also attends a meeting but is not able to get much information. General consensus is that as a club we need to be better at communicating with each other when we see NOTAMS or postings at the airport. Darrell is going to look into this situation more.

LAIA

\$50 for the square reader. 3% transaction fee. We will need to create an account and set up the account. Allison and Vern will work together to get this set up.

Reed made a motion to donate to West Bridge Church for the signs. We will donate \$20.

Banner will be ready and displayed the 11th through the 17th of August. The fee is \$100 to the Town of Danville.

Amy will put up social media posts in the next week or so. Darrell will continue to distribute once she posts.

Duane Colter volunteered to fly the LATA Flyer to local airports and get them hung up.

Amy has been working with IU Lifeline trying to get them to participate. Reed will try to get St. Vincent to commit.

BOLD will do Buy One, Get One on discovery flights. We will purchase 2 and they will give us 2.

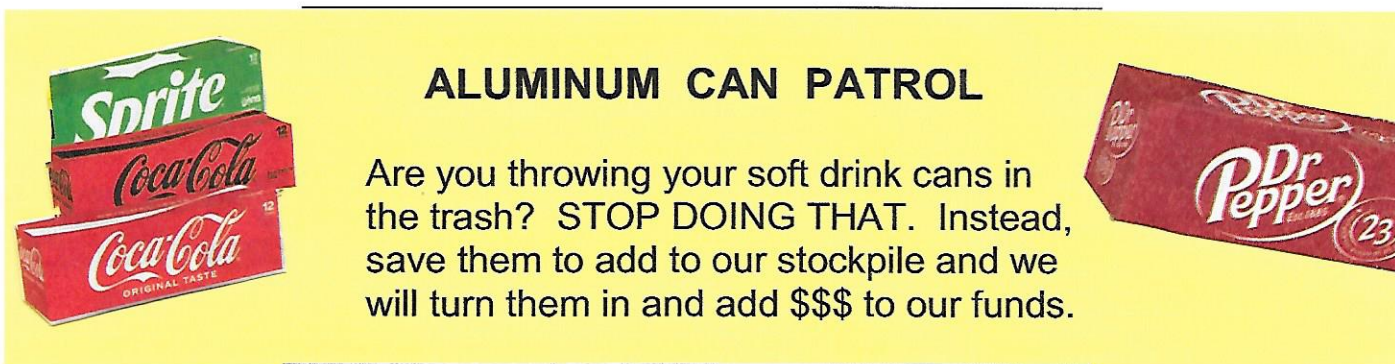

Allison will try to get volunteers through a sign up online. If she does not get all slots full in 2 weeks, Wilma will start calling. Be sure you sign up to bring a dessert too.

Allison will start purchasing supplies which will be stored in the barn.

Wilma will call Stephanie to see if she will take photos again this year.

Wilma took the empty aluminum cans which had been stockpiled from office drink sales and turned them in for receipt of \$42 for the HCAA treasury.

Meeting adjourned. Next meeting – August 13, 6:30 p.m.

ALUMINUM CAN PATROL

Are you throwing your soft drink cans in the trash? STOP DOING THAT. Instead, save them to add to our stockpile and we will turn them in and add \$\$\$ to our funds.

When you ask me what I am doing today and I say "nothing," it does not mean I am free. It means I am doing nothing.

Sometimes someone unexpected comes into your life outta nowhere, makes your heart race and changes you forever.... We call these people "cops."
