Board Meeting Notes (by Allison Matthews)

Attending on June 11 were Amy Hills, Allison and Robert Mathews, Reed Blair, Jeff Lahr, Vern Sullenger and Wilma Winings.

The meeting opened with prayer by Vern followed by the Pledge of Allegiance.

CAP members attended in order to discuss the possibility of helping at LATA. They were hopeful they could have around 5 volunteers.

Vern gave the treasurer's report of \$4,382.

Jeff gave a report about the SIM. He has made some updates and fixed it. The SIM should be tamper proof and should be protected if a power outage were to occur.

The board discussed how we could be more productive throughout the entire year. A survey will be posted soon at the airport for members and non-members to give their input as to how we can better serve the community. Additionally, Amy has requested a meeting to discuss this with BOLD Aviation as well.

LATA

Reed is taking care of the signs again. He is going to have the church reprint the sections we need to update.

LATA- Continued

Chairs and tables have been requested and we will try to have as many or more as we have had in the past.

Reed will manage the raffle; it will hopefully include 4 discovery flights.

Reed will contact the helicopter company and see if they are available to provide rides for cost again.

Allison is going to reach out to service organizations through the local schools to see if we can have additional students to volunteer for LATA.

Darrell Arnett will be in charge of the ramp again this year.

The cost of LATA has been adjusted. We will have \$5 cash meals for adults and children and \$6 meals if they are using a credit card. Jeff is looking into using system to collect electronic payment. Allison and Robert Matthews will manage selling tickets the day of the event in order to support the change.

The light fixture at the south end of the barn needs to be put in working condition.

Wilma will be looking for volunteers soon. Allison and Amy will send a list of positions needed. She will also be looking for volunteers to make desserts this year as she has in years past as well as contact the county sheriff's office to invite a representative to attend again this year.

We will host another meeting to discuss any additional needs at a later date, still to be determined.

MAY COOKOUT A SUCCESS

The combination of good weather, good food and friendly HCAA members made this event a memorable one. Robert was our grille master and did an excellent job. You missed a nice get together if you weren't there! Photos follow.
